Introduction

P3R Adstreet Pvt. Ltd., established in July 2022, is an integrated marketing and promotional solutions company delivering end-to-end brand execution across India.

The company provides market research, advertising, branding, promotional activities, events, fabrication, manpower and corporate gifting solutions, supported by 11 years of industry experience since March 2015.

Headquartered in Delhi, the company operates through a strong vendor network across 6 major metro cities, enabling P3R to successfully coordinate and deliver projects across India. Since its establishment, the company has successfully executed approximately 250 projects across diverse marketing and promotional requirements.

KEY HIGHLIGHTS

11 Years — Founder's Industry Experience

Since July 2022 — Company Operations

250 Projects — Executed Through P3R

6 Metro Cities — Vendor Execution Network

Delhi — Head Office

MISSION

To deliver innovative, integrated and result-driven marketing solutions that strengthen brand visibility and customer engagement.

VISION

To become a trusted PAN-India marketing and branding partner, creating impactful brand experiences and sustainable growth.

“Your Vision, Our Innovation - From Strategy to Impact.”

One Partner. Every Brand Touchpoint.

Manpower & Payroll

Trained promoters, sales staff, event teams and payroll management for scalable on-ground operations.

Market Research

B2B & B2C research, consumer insights, surveys and competitor analysis to support informed decisions.

Advertising & Branding

Creative campaigns, outdoor advertising, transit branding, digital media and retail visibility solutions.

Promotional Activities

Mall activations, roadshows, product sampling, society campaigns, school programs and RWA activities.

Events & Exhibitions

Large campaigns require coordinated manpower, logistics, printing, installations and local-level management across markets.

Printing & Fabrication

In-house printing, POSM, signage, kiosks, display units, stalls and customized fabrication.

Corporate Gifting

Customized merchandise and branded gifting solutions for employees, customers and promotional campaigns.

Why Now?

01 Rising Demand for Integrated Marketing

Brands increasingly need a single partner to manage research, advertising, promotions, events and execution efficiently.

03 Need for PAN-India Execution

Multi-location campaigns require reliable manpower, fabrication, logistics and consistent execution across markets.

02 Growing Focus on Experiential Marketing

Businesses are using mall activations, roadshows, exhibitions and product sampling to create stronger customer engagement.

04 Shift Toward Data-Driven Campaigns

Market research and consumer insights are becoming essential for planning targeted and result-oriented brand campaigns.

How P3R Creates Brand Impact

Research → Strategy → Create → Execute → Engage → Grow

PAN-India Execution Network

New Delhi — Head Office

Central coordination, client servicing and nationwide campaign management.

Indore — Central Hub

Supporting campaign execution and operational reach across Central India.

Mumbai / Thane — West Hub

Serving brands and campaigns across key western markets.

Strengthening on-ground execution and regional reach across Eastern India.

Kolkata — East Hub

Providing localized marketing and activation support across Southern markets.

Bengaluru — South Hub 1

Extending execution capabilities and regional campaign coverage in South India.

Hyderabad — South Hub 2

Local Market Understanding • Faster Execution • Dedicated On-Ground Teams • Multi-Location Campaign Capability • Consistent Brand Experience

Market Analysis

SAM — ₹13,000+ Crore
Serviceable Available Market
India's live events market alone is valued at around ₹13,000 crore, providing a strong measurable proxy for P3R's experiential, activation and event-led opportunity.

TAM — ₹2.02 Lakh Crore
Total Addressable Market
India's overall advertising market is projected to reach approximately ₹2,01,891 crore in 2026, representing the broad opportunity across advertising and brand communication.

SOM — ₹130–260 Crore
Serviceable Obtainable Market – Strategic Target
A 1–2% long-term capture target of the ₹13,000 crore experiential/live-events opportunity represents approximately ₹130–260 crore in potential addressable business for P3R.

Healthcare & Pharmaceutical

Scale-Up Roadmap

Phase 1

Strengthen & Expand | 0–12 Months

- Strengthen the existing 6-branch PAN-India execution network.
- Expand B2B & B2C market research and promotional campaign capabilities.
- Increase utilization of existing printing and fabrication infrastructure.
- Build larger manpower pools for multi-city activations and events.
- Acquire more enterprise and multi-location brand accounts.

Phase 2

Scale & Diversify | 12–24 Months

- Expand execution reach into additional high-growth Indian markets.
- Increase capacity for simultaneous nationwide campaigns.
- Scale retail branding, FSU displays, corporate gifting and fabrication services.
- Strengthen long-term relationships with large brands across multiple industries.
- Build P3R into a stronger one-stop partner for nationwide brand execution.

Strengthen Network → Expand Capacity → Acquire Enterprise Clients → Scale Nationwide

Fund Utilization

Fund Utilisation	Allocation
Printing & Fabrication Capacity	30%
PAN-India Operational Expansion	20%
Technology & Digital Systems	15%
Manpower & Training	15%
Business Development & Marketing	10%
Working Capital	10%
